

**WORLD WAR I VETERANS
FROM THE ALLEGHANY HIGHLANDS
(INCLUDING COVINGTON, CLIFTON FORGE, AND IRON GATE)**

This is a list of known Veterans that served during World War I (WWI) that were born and/or lived in the Alleghany Highlands. The list was compiled from several sources including Courthouse Records, Draft Registration Records, Discharge Records, and other available publications. There are over 1,300 names on this list. In many cases, information about the Veterans have been collected, when it could be found, such as rank, the branch of service they served under, where they were born, and where they are buried. In some cases there are even photographs of the soldiers.

If you know a soldier who is not on this list that was born and/or lived in the Alleghany Highlands and served in WWI, or you have more information about the soldiers on this list, including photographs, please contact Shelly Mongold in the Public Works Department, by phone at 540-863-6650, or email at mdudley@co.alleghany.va.us.

This project is in association with the "Virginia World War I and World War II Commemoration Commission" and the local WWI and WWII Committee, in recognition of the 100th Anniversary of America's entry into WWI and the 75th Anniversary of the entry into WWII.

Thank You For Your Service.
